Proper Disposal of Used Medications

Rx Mission Drive-in/Drop-Off is a medicine-collection program sponsored by the Somerset County Sheriff's Office, the Somerset County Solid Waste Management Division and the U.S. Drug Enforcement Administration. Residents can bring medications to the Household Hazardous Waste Drop-off events that are held at different locations around the county for the convenience of residents (see back page for 2014 drop-off locations).

Medications should be dropped off in their original packages or bottles with personal information such as name and address removed. The name of the medication should be visible. Illegal drugs, needles or sharps should not be brought to the drop-off.

Residents also can take advantage of the Somerset County Sheriff's Office medicine collection drop box, 24-hours a day, 7-days a week, no questions asked. The drop box is located on the lower level of the Somerset County Administration Building at 20 Grove St., Somerville, NJ 08876, near the entrance to the Sheriff's Office.
